espeakers

OVERVIEW

eSpeakers, recognized as the “industry utility” of the speaking industry, was founded by the late Art Berg, CSP, CPAE. Art was a successful professional speaker who believed that the right technology would play a critical role in the future of the industry as a whole, and in the individual offices of speakers, trainers and coaches with thriving businesses.

Fast-forward many years; thousands of successful speakers, trainers and coaches around the world now use eSpeakers to get new business and to manage their calendar and event details for sustained growth. We think Art would be pleased. eSpeakers “connected office” technology is built on many years of research and development with leading speakers, trainers, coaches, speaker bureaus and speaker management companies. eSpeakers can provide you with all the tools you’ll need to build a successful and sustainable business.

HAMPTON CONVENTION & VISITOR BUREAU

OVERVIEW

The Hampton CVB offers services to help enhance the experience of an attendee during their visit to Hampton. We can assist with site inspections to the hotels, attractions and the city in general, supply information about the city and things to do and also gather hotel proposals. The Hampton CVB will find out what is important to you and assist in creating a great experience for all attendees. Hampton, Virginia is centrally located on the eastern side of the state, and has more than 2,800 hotel rooms. The Hampton Roads Convention Center offers additional meeting and exhibit space, with attractions and restaurants within walking distance.

QUICK FACTS:

Major meeting venues of note:

Hampton Roads Convention Center

Total Rooms: 2,854

Total Meeting Space: 157,635

Destination highlights :

Hampton is the oldest continuous English-speaking settlement in America, founded in 1610. In 1619 the first Africans came ashore at Old Point Comfort (Fort Monroe). Fort Monroe, once the U.S. Army TRADOC Headquarters, decommissioned in 2011, now serves as a national park. Fort Wool was built in 1819. Virginia Air & Space Museum is home to NASA Langley Research Center, where the first Americans to fly to space were trained. Hampton University is the oldest black university in the nation. Hampton is less than 3 hours from Washington, D.C and is located inbetween Colonial Williamsburg and Virginia Beach
